

Write a Valentine to a character in your favorite book.

In my spare time I love to...

What would George Washington like about America today? What would upset him?

You've been picked to show President Lincoln around our town. Where will you take him?

Write a letter to Mr. Groundhog. Thank him for doing a good job or tell him how he could be better at predicting the weather.

What do you think the Tooth Fairy does with all the teeth she collects?

The sleepy bear woke up from hibernation because...

All the Valentines were passed out and the children were ready to open them when suddenly...

Pretend that Cupid took this year off from being the Valentine's day mascot. Create a new mascot for this year. Draw a picture and explain your drawing.

Cupid's wing is broken. He needs your help! How will you help people fall in love?

Describe one person in your life that you think has the biggest heart.

February 29th only comes every 4 years. What do you think you will be doing on the next Leap Day?

Robbie has never been to the dentist before. He's very nervous to go. Explain to him what will happen at the dentist's office.

Write a story about two animals in love. How will they spend Valentine's Day?

Does your family do anything special to celebrate Valentine's Day? What?

What if you accidentally dropped your Valentines in a mud puddle on the way to school?

Mr. Groundhog is sick! You have to predict the weather today. How will you do it?

Write a fun menu for a Valentine's Day meal. Will you serve red foods? Will you make your favorite food in the shape of a heart?

Abraham Lincoln's face is on the \$5 AND the penny. Is it fair that he's on both? Who else could be on the \$5 bill?

President's Day is in February. Do you think a woman will ever be elected President of the United States? Why or why not.
